Summit | October 7th, 2021

of the largest service management in Germany. we would like to thank Mr. Liu the Sino-European Health Summit clinicmanagement supported

The intention of the event was to build bridges between the European and Chinese healthcare market and to understand current trends and dynamics that digitalization, new technologies as well as Covid-19 bring to the healthcare sector. Moreover, the event discussed future collaboration and investments opportunities in the Sino-European healthcare context. Through different panels and networking opportunities, the Summit connected various stakeholder groups from the healthcare industry and facilitated a high-quality exchange between invited guests.

On behalf of consus clinicmanagement, we would like to thank SILREAL GmbH for organizing the Summit. SILREAL has a young and very motivated team and we are looking forward to engaging in future collaboration.
